NAME & GENDER CHANGE WORKSHOP

5:30PM – 8PM | Oct 2, Oct 30, Nov 20

Given the ongoing pandemic, these services will be offered through telephone appointments. Workshops are hosted and supervised by the attorneys at the East Bay Community Law Center!

The workshop helps folks fill out and file paperwork for court-ordered name and/or gender marker changes. We help folks affirm their identities on their driver's licenses, passports, Social Security cards, USCIS documents, and other forms of identification. We help with fee waivers whenever possible. We are also available to answer any questions about the process generally!
